My Educations

2016 Masters in Fashion Management
National Institute of Fashion Technology

During my Master's in Fashion Management at NIFT, Navi Mumbai, I learned strategic brand management, fashion marketing, and consumer behavior analysis. I developed skills in creating marketing campaigns, managing product life cycles, and using data insights to enhance brand positioning and engagement.

2013 Bachelor's in Commerce
Shri Ram College Of Commerce

During my Bachelor's in Commerce at Shri Ram College of Commerce, New Delhi, I gained a strong foundation in accounting, finance, and business management. I developed skills in financial analysis, market research, and strategic decision-making, preparing me for roles in business and commerce.
